## CMS Cameron McKenna LLP Joins Growing Roster of London-based Law Firms to License Microsystems' Legal TemplatesPlus

**Downers Grove, IL – 1st October 2009** – Microsystems, a leading document creation and quality control software provider for the legal sector, announced that CMS Cameron McKenna LLP recently licensed Microsystems' Legal TemplatesPlus software for its document production environments.

*“With Microsystems Solutions, law firms are well positioned, today and in the future, to deliver a high level of client service by producing documents with proper content and formatting,” said Tom O’Sullivan, Chief Executive Officer of Microsystems. “We are pleased to continue growing the ranks of law firms that depend on Microsystems to achieve a core competency in document production.”*

### About Microsystems Solutions

Microsystems software helps law firms achieve greater productivity, enhanced profitability and improved client service. [Legal TemplatesPlus](#) is a complete correspondence and pleadings solution that also includes numbering, table of contents and DocID functionality. Legal TemplatesPlus drastically simplifies document drafting, template design and maintenance. [Knowledge Partnership](#) provides lawyers, secretaries and IT staff with software-based document analysis, formatting and quality-control solutions, as well as emergency document troubleshooting and automated Microsoft Word skills assessment. [D3 \(Dynamic Document Drafting\)](#) software enables law firm practice areas and business groups to quickly and easily produce document first drafts with accurate, approved content that is easy to add, update and share.

### About Microsystems

Founded in 1995, Microsystems is a global leader in document lifecycle software and services designed to improve the total document creation and quality control processes of document-intensive businesses. The company helps more than 650 client firms and companies increase document production efficiencies and reduce costs and risk. Microsystems is based near Chicago in Downers Grove, Illinois. For more information, visit [www.microsystems.com](http://www.microsystems.com) or call +011 630.598.1100.
